

The Santa Monica Police Department is enforcing underage drinking laws in your neighborhood.

**If you host an underage drinking party,  
you will be held accountable.**

Don't do it.

# #ItsTooEasy

It's too easy for Santa Monica teens to get alcohol, especially at house parties. If you host an underage drinking party, you'll be held accountable by the Santa Monica Police Department. **Don't do it.**

WESTSIDE IMPACT PROJECT

#ItsTooEasy is a campaign from the Westside Impact Project, a county-funded effort to reduce underage drinking in Santa Monica. #ItsTooEasy illustrates the role adults play in enabling underage drinking. Its ultimate goal is to create a safer, healthier community for our youth.
